

# THE MESSENGER

*When Jesus saw the disciples scold the parents of the children for bothering him about blessing the children, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. Truly I tell you, anyone who will not receive the kingdom of God like a little child will never enter it." Mark 10:14-16*

God calls children a blessing and a gift. Their spirits are filled with innocence, joy, and laughter.

The popular children's song, "Jesus Loves the Little Children" reminds us that all are precious in His sight. And, no matter your race, gender, or nationality, God wants to see all children come to Him. Jesus died on the cross for all people.

The school year begins again in Florida this month, and all of the little ones will be back to their studies. There is also a responsibility to all of us to protect and take care of God's smallest ones. While we are going about our daily lives, let us be ever mindful that children can be excited and sometimes act before thinking. I pray that we will all watch out in the school zones and neighborhoods for God's little ones. Also, for those within our families, I pray that we will continue to teach the children in our lives of God's GREAT LOVE. I do realize that sometimes this is difficult, but, we must always remember What Jesus did for us, and that we are all his disciples. All of us are here to teach and guide God's smallest angels.

I would like to thank everyone who attended our Ice-Cream "Social". This was a wonderful event and we had many participants. Our Evangelism team has been working on a seminar to be presented by Thrivent in September entitled "End of Life Strategies..." Our special thanks to Phyllis Spitz for spearheading this event. I can't wait for autumn to finally arrive.

God's Peace and Blessings to each of you.

Pastor John

Dear Members of Christ Lutheran Church,

### Message from the Council President

It's August, 2019 and the year is half over.

Two years ago this congregation voted to show their support of John Johnson going to ILT Seminary School. At that time we named John as our Assistant Pastor. We have all watched as John has grown and developed the skills of Pastor.

Very recently, the congregation voted Pastor John Johnson to be our Contract Pastor. The members of this congregation have been very supportive of John as he grows in the leadership of this congregation. The council has also been unanimously supportive of John.

The council decided, when John announced he would be on vacation on August 4<sup>th</sup>, to ask the Lay Ministers and our Windsor and Princeton folks to lead the service. This Sunday, our service will be a communion service led by four of our members. Part of the service is something that Phyllis Lytle and I did at both Windsor and Princeton. The Lay Ministers are already saying wouldn't it be fun to have a few men lead a service. What do you think?

It is amazing how much has been donated to the Bunnell Elementary School. Our lobby is filled. Thanks to each and every one that participated in this effort. It has even been on TV this week about the cost of sending a child off to school. Our parents here will be so appreciative of the help we are giving their children.

September is fast approaching. We will once again start our 1<sup>st</sup> Wednesday service and soup dinners. This is really a very enjoyable time for all that attend. We study the word and then have fellowship over a delicious bowl of soup and bread and butter. Set the date aside (September 4<sup>th</sup>).

Have a wonderful month.

Pat Ganster

Council President
